Cloudy County Extension
A #ShiftShow Community

Cloud training specialized for extension, built by extension IT admins.

Calling all extension agents, educators, and extension support staff: Cloudy County Extension is a learning community built for **YOU**. Here, you will learn essential cloud skills to make your digital life a little easier. A few examples are:

- Cloud file storage; access and protect your files from anywhere!

- Unlock the secrets of Microsoft Teams for collaboration

- Host large scale events and webinars powered by Teams

- Collect data and surveys with Microsoft Forms and OneDrive

- Use Bookings to create a self-service scheduling portal for clientele

- Manage events, camps, and projects with Microsoft Planner

Don't miss our monthly calls and community updates!

Monthly community calls are every 2nd Wednesday at 2:00pm Eastern
